

Accessibility Statement for verifysignnotarize

verifysignnotarize is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards.

Measures to Support Accessibility

verifysignnotarize takes the following measures to ensure accessibility of our website:

- Integrate accessibility into our web design and development processes
- Regularly audit our website for accessibility compliance
- Provide accessibility training for our team
- Include accessibility as part of our mission and customer service approach

Conformance Status

This website is designed to conform with the [Web Content Accessibility Guidelines \(WCAG\) 2.1](#) Level AA standard.

We are working to ensure all pages and content on verifysignnotarize meet this standard, but some content may not yet be fully adapted to the strictest accessibility standards. We appreciate your patience as we continue to improve.

Feedback

We welcome your feedback on the accessibility of verifysignnotarize. Please let us know if you encounter accessibility barriers:

- **Phone:** 424-489-4383
- **Email:** info@verifysignnotarize.com
- **Postal address:** PO Box #1753 Wilmington, CA. 90744

We aim to respond to feedback within 2 business days.

Compatibility With Browsers and Assistive Technology

The verifysignnotarize website is designed to be compatible with:

- Modern web browsers (Chrome, Firefox, Safari, Edge)
- Screen readers such as NVDA, JAWS, and VoiceOver
- Devices including desktops, tablets, and smartphones

Technical Specifications

Accessibility of verifysignnotarize relies on the following technologies:

- HTML
- CSS
- JavaScript
- ARIA (Accessible Rich Internet Applications)

These technologies are relied upon for conformance with the accessibility standards used.

Assessment Approach

verifysignnotarize assessed the accessibility of this website using the following approaches:

- Self-evaluation with automated tools and manual testing
- Periodic third-party accessibility audits (when applicable)
